

Information regarding filling up preference form and FAQ

The following information is relevant on for those candidates who have been called for interview

Please read the document carefully before submitting your preference form

Admissions to the PhD program of IIT Bombay can be obtained by qualifying under any of the following categories.

1. Teaching / Research Assistantship (TA/RA)

Based on their performance in the selection process, candidates are awarded IIT Bombay (MHRD) funded teaching assistantships. Guide and Ph.D topic selection happens after one semester of joining Ph.D program.

2. Teaching Assistantship through Project (TAP):

Candidates are offered financial support originating from sponsored projects (Govt./Industry grants awarded to certain faculty). Guide selection happens during the interview process. Any candidate can opt for this category according to his interest in the offered TAP Topics.

3. Govt./Semi Govt. Fellowship Award (FA):

Candidates must have their own sources of funding via scholarships such as those from CSIR, UGC, DBT, ICMR, or DST-Inspire. (you have to produce the sanction order)

4. For External (EX) and College Teacher (CT) Category, please mention the name of faculty (willing to serve as Guide if candidate is selected) in the google form

Since the number of seats under TA category are limited, we encourage you to also opt for topics under other categories for which you are eligible
