

Dear Candidates, Please refer to the following schedule for your interview in the Department of Chemical Engineering, IIT Bombay. Even though we have provided you with a time slot, since the interview will be conducted in online mode, the time slot may be preponed or postponed. Therefore, we request you to be available for the entire session from 9:30 am to 1:30 pm if your interview is scheduled in the forenoon session, and be available from 2:0 pm to 6:00 pm if your interview is scheduled in the afternoon session. One writing pad/paper and pen should be available with you during the interview process. IIT Bombay representatives who are helping in conducting the online interview will call you and familiarize you with the different platforms that will be used for the interview. If you need any clarification, write at phd1.chemical.iitb@gmail.com

Dear Candidates, Please refer to the following schedule for your interview in the Department of Chemical Engineering, IIT Bombay. Even though we have provided you with a time slot, since the interview will be conducted in online mode, the time slot may be preponed or postponed. Therefore, we request you to be available for the entire session from 9:30 am to 1:30 pm if your interview is scheduled in the forenoon session, and be available from 2:0 pm to 6:00 pm if your interview is scheduled in the afternoon session. One writing pad/paper and pen should be available with you during the interview process. IIT Bombay representatives who are helping in conducting the online interview will call you and familiarize you with the different platforms that will be used for the interview. If you need any clarification, write at phd1.chemical.iitb@gmail.com
